SAISON DuPONT (98 pts on Rate Beer)

Belgium | Brasserie DuPont | ABV 6.5%

10oz | 7

top fermentation beer with refermentation in the bottle.

Since 1844, this beer has been brewed in our farm-brewery, during the winter time. Then this beer became a second refermentation in the barrel. During the next summer, this very thirst-quenching beer was served to the "saisoniers" which were working on the fields.

Surely therefore, our Saison Dupont is considered as "the classic" among the Belgian season beers!

ORANGE BARLEYWINE

Portland, OR | Ecliptic Brewery | ABV 12.5%

10oz | 5

gratifying warming effect and drinks smooth. 3 malts create a hearty profile with robust character. Copious amounts of Chinook and Nugget hops combine for a nice resin hop flavor
